Sending PHOTOS on CD to ILLUSTRATE THE MAGAZINE: Please put all in one directory/folder.

A thumbnail sheet is required w/photo and file name. Without it, photos may not be used.

If not possible, please send prints (8x10 maximum size per print; no minimum size)

Our magazines are illustrated with **local photographs** done by local advertisers. For all photos, the photographer/contributor retains Copyright. Credit and ad reference are given on every photo, such as "Courtesy of Cakeville Bakers, ad page 21," or "© Hi Quality Photos, ad page 38."

The Cover Photo is done by a local Professional Photographer; the front cover is not "for sale." We will use: Bride alone or Bride & Groom; her flowers mostly visible, full-length or closer. No payment is made to the photographer for the use of the photo; the publicity (with literally **every** Bride in the area seeing it) is worth much more than payment. All photographers who advertise are eligible. An unlimited model release allowing the photographer to use the image for advertising purposes is required; we will also provide our own model release which covers our use of the image for our purposes. **All photos sent are considered for cover; no need to mark or separate your choices.**

Inside the magazine, we use photos sent by all types of advertisers – not just photographers.

(We'll try to use at least one of your photos, unless they are inappropriate or of no illustrative value.) This is a "photojournalistic" magazine, and as such, want photos other than "just pretty pictures of a Bride and Groom." We prefer a wide range of photographs. (See list at left.) When in doubt, send it!

All photos are returned. Color or Black & White, Max Size 8x10; no minimum size. Low-res digital photos will not be used. Framed photos will not be used or returned without prepaid postage.
